Howard Johnson Hotel Niagara Falls, Ontario completes extensive renovation project

Niagara Falls, ON (August 18, 2010) - The Howard Johnson Hotel by the Falls, located at 5905 Victoria Avenue, Niagara Falls, Canada, has just completed a \$1.5 million redevelopment project.

The renovation project was completed May 1, 2010 and includes a complete makeover of all guest rooms including: new bedding, carpet, wall coverings, lighting, tile and upgraded bathroom fixtures and amenities. Complete upgrades have also been made to the main hotel lobby, hallways and common guest areas.

“We are very excited about the major upgrades we’ve made to our property”, said Eric Marcon, President of the Howard Johnson Hotel Niagara Falls. “We are extremely confident that the renovations we’ve made will help us better position ourselves in the marketplace and allow us to be much more competitive.”

The 198 room property is conveniently located just 1 block from the Canadian Falls, Casino Niagara and Clifton Hill and offers complimentary shuttle service to all other major Niagara Falls attractions. The hotel also offers free high speed internet, gym/fitness center, meeting room facilities, is pet friendly, features an indoor heated pool with waterslide, outdoor seasonal pool and on-site 24 hr Denny’s restaurant, Pizza Hut Express, KFC Express and Baskin Robbins.
